# ■ About Company

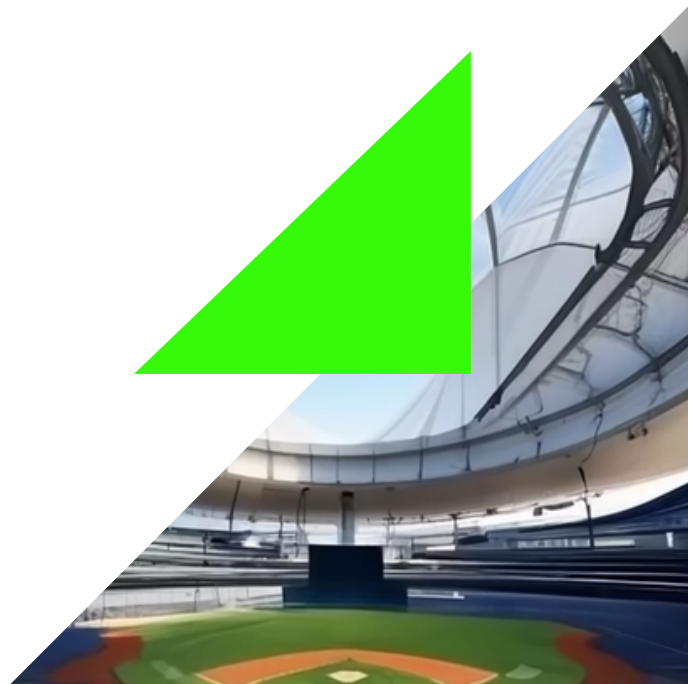

At Tesco Structures LLP, we bring years of expertise in designing, engineering, and executing high-quality structural solutions. Our team of skilled professionals leverages advanced technology and precision engineering to develop solutions that are both functional and visually striking. We are dedicated to maintaining excellence, safety, and customer satisfaction, making us a preferred choice for clients seeking reliable and innovative building solutions.

We take pride in our ability to handle projects of all scales, from industrial warehouses and commercial complexes to educational institutions and residential structures. Our client-centric approach ensures that each project is tailored to meet specific requirements, while our commitment to sustainability drives us to use eco-friendly materials and energy-efficient designs.

## ■ Introduction

Tesco Structures LLP is a premier provider of tensile structures, pre-engineered buildings (PEB), facade works, and roofing solutions. With a commitment to quality, innovation, and sustainability, we deliver customized structural solutions that meet the highest industry standards. Our focus is on creating durable, cost-effective, and aesthetically appealing structures that cater to diverse sectors, including industrial, commercial, institutional, and residential projects.

# Mission and Vision

## Mission

Our vision is to be a leader in innovative and sustainable structural solutions, enhancing urban and industrial spaces with modern designs and advanced technology.

## Vision

Our mission is to provide high-quality, safe, and cost-effective solutions while maintaining a strong commitment to innovation, customer satisfaction, and environmental responsibility.

# Our Services

## ➔ Tensile Roofing

Enhance your space with modern, durable, and lightweight tensile roofing solutions. Our high-quality tensile membrane structures provide excellent weather resistance, UV protection, and a sleek, contemporary look. Perfect for commercial, industrial, and residential applications, tensile roofs offer cost-effective, long-lasting performance with minimal maintenance.

## ➔ Pre Engineered Building

Optimize construction efficiency with our pre-engineered buildings, designed for strength, durability, and quick installation. From industrial warehouses to commercial complexes, our PEB solutions ensure high performance, energy efficiency, and structural reliability, meeting international standards.

## ➔ Multi Story Building

## ➔ All Type of Roofing

## ➔ Turnkey Construction

## ➔ Civil Construction

# Our Esteemed Clients

## Industrial Clients

- • Danfoss
- JK
- Daimler
- Komatsu
- Panasonic
- Bosch

## Schools

- • Velammal Group of Schools
- DAV Group of Schools
- Chinmaya Group of Schools
- Lord's International School
- Kamala Subramaniam School

## Mall Projects

- • Skywalk Mall
- Forum Mall
- VR Mall
- Express Avenue
- Brookfield Mall

## Institutes & Universities

- • IIT
- Veltech University
- Vels University
- Chettinad University
- Sastra University
- Saveetha University
- Panimalar College
- Hindustan College

## Builders & Developers

- • Casagrand Group
- Appasamy Group
- Alliance
- Urbanrise
- Lifestyle
- urbando
- KG Builders
- SPR City
- Bashyam Group
- Rupy Builders

# Thank You!

Hopefully, we can work together and this project will be successful.
